

## RPIA Approved Bollard for Driveway Entrances

The Architectural Committee of the RPIA Board of Governors selected a standard bollard for installation at our driveway entrances. The bollards match the style of the approved mailbox.

If you wish to have the bollards installed on your property, they may be ordered from the Beautiful Mailbox Company.

The cost of each bollard is \$190.80, including installation and sales tax. If requested, chain to be attached between bollards priced at \$1.25 per foot. Orders may be placed by contacting:
